Corpus Christi

8:00 AM

- 1) Father, in the Sacrament of the Body and Blood of Christ we recall the cost of our filiation. May we constantly journey on the way of righteousness, we pray to the Lord --
- 2) Father, we constantly want to see You. We want to be with You. We know that when we see You face to face our sorrows will come to an end. For now, calm our fears and help us to obey Your commands of love, we pray to the Lord --
- 3) Christ is our High Priest who expiates our sins. May we always know the cost of our salvation and never take Your patience for granted, we pray to the Lord --
- 4) Father, may all who participate in the communion of Christ be one with You and with one-another. May we have a deep reverence for the Eucharist we partake of, we pray to the Lord --
- 5) In the Eucharist we become one with all the living, the dead, the unborn and with You. May we recognize Christ among all who partake of this food and so be one in our evangelical mission, we pray to the Lord --
- 6) Lord Jesus, may our sacrifice be a true thanksgiving to the Father in Your memory. Through the strength of this food from heaven, may we have the courage to witness everyday of our lives, we pray to the Lord --
- 7) Be mindful of those who ate Your body and drink Your blood even though they have transcended. May they never die as You promised, and restore all the sick to the power of witnessing especially Jack, Michael and Gwen as requested by John and Judy Gray, we pray to the Lord---
