13th Sunday of Ordinary Time

- 1) Father, you created us in your own image, truth and light to be the witnesses of your goodness in this world. May we never perish in error, darkness and eternal death, we pray to the Lord --
- 2) Father, in faith, knowledge and sincerity we pray for the little children separated from their family and parents. Please guide them and protect them from every harm, help with the reunion of their families and may we seek ways to assist them, we pray to the Lord --
- 3) Lord Jesus, you healed the sick, casted out demons, raised the dead – visit our community and heal those who are frightened by sickness, addictions and lives of error. May we rejoice with those you have restored, we pray to the Lord--
- 4) Lord, we recall your presence through our months of depression, through years of difficulty and harmful relationship and hurtful malice. We were bleeding internally, then you sent healing through friends. Thank you for this healing community, we pray to the Lord –
- 5) Father, help us to be kind hearted to those in pain. May we reach them with faith and humility and bring them freedom and healing, especially Mary Serve and Rose Atencio, we pray to the Lord --
- 6) Father, don't forsake our brothers and sisters who have transited to you. Bless them with eternal salvation as you promised, we pray to the Lord –
